# DUELING PIANOS

---

Traveling from Philadelphia, Pennsylvania, the Dueling Pianos feature Tony T. (Anthony Decarolis) and Wildman Joe (Joe Marchetti) performing an energetic sing-along classic for all ages. Their entertaining style of interacting with the audience has everyone singing, clapping and partying along.

They have opened for Billy Joel, Barbra Streisand, Philadelphia Flyers and Sixers games among many others.

Bring your family, bring your friends - this performance is open to all and may be your only chance to hear this wonderful group play (without driving to Philadelphia, PA).

Admission is only \$20.00, so please register today.
